We would also like to point out that the agreed delivery lead time may be affected by events beyond our control, such as restrictions due to world political or economic influences. This also concerns materials cost increases of more than 5% during the project duration which would force us to adapt the final pricing. The Contractor undertakes to notify the Client immediately of any such event.

This document has been created mechanically and is valid without signature.

Thank you for your business.

With kind regards

D.I.S Germany GmbH
