Manuscript: AAS60872R1**Title:** GRB241107A: a Giant Flare from a close-by extragalactic Magnetar?**Corresponding Author:** James Rodi

Dear Dr. Rodi,

I am happy to accept your revised manuscript for publication in The Astrophysical Journal Letters.

Correspondence concerning the logistical aspects of publishing this manuscript should be directed to journals.manager@as.org. If you have any additional questions concerning the scientific content, please direct them to me.

Congratulations and best wishes for a productive 2025 and beyond.

Dieter H. Hartmann
AAS Scientific Editor
